

## Welcome

It is with great pleasure that I welcome you and your family to the 2008 school year at Coomera State School.

Your family has become part of a long tradition of schooling at Coomera which has continued since 1873. In this, our 135th year of schooling at Coomera, we are firmly focussed upon building the long traditions to best provide excellence in learning and living for students in 2008 and into the future.

Coomera State School has achieved multiple award recognition for our Film Festival, environmental education programs and special intervention programs. We also lead the way in the use of electronic white boards and the use of ICT in the classroom. That said, our biggest achievement this year will be doing the very best for your child or children at school here. We look forward to working in partnership with you to achieve this.

Chris McMillan  
Principal
