What's been happening?

I have recently completed training in the use of new resource designed for social, emotional, and spiritual support of primary school students called, "I Grow in Grandad's Garden." It's a

captivating, illustrated story book. We join Ellie and her Grandad on a growing journey discovering what makes

children happy, sad, afraid, confident and excited <https://www.youtube.com/watch?v=IXia8WbBE74> \$20 online at <http://livehappytogether.com.au/>. It's the best personal development book for early learners I've seen. It contains interactive questions designed to help you get closer to your children, promote emotional healing, and pass on the values of gratitude, forgiveness, courage and generosity.

BFC

A **big thankyou** to Coomera Valley Rotary who have agreed to donate a new fridge and toasters.

How to get involved

Upcoming Events

NRL specific Footy Camp - 5 days of food, fun and footy on the Gold Coast. Accommodation – 7 bed chalets with on suite for the upcoming Winter school holidays.

Please consider sponsoring me on the Ks4Kids event. **It's my main fundraiser towards maintaining or increasing my allocated days at the school.**

2. Select the sponsor friend tab at the bottom left and type in Coomera State School, to sponsor Chappy Evan.

Peer Mediators

I appreciate the 18 students who have begun PM training with me on Wednesdays 2nd break in the BFC room. We have rehearsed how to lead a shy student to join a new peer group and how to introduce them. As well as, what level of responsibility belongs to PMs and when to alert duty teacher.

Thank You!

Regards Chappy Evan.
