The Computer Club provides opportunities for all students in Prep to Year 6 to develop their keyboarding skills and experience the variety of educational software available at Coomera State School.

**PROGRAM OVERVIEW**

*Semester 1 and 2*

Students have the opportunity to make use of the many educational programs available to them as well as the internet. Students may like to use this time to access the sites that the school subscribes to such as Literacy Planet, Reading Eggs, Mathletics or Lexile Reading Program.
