

Computer Club (various smarts depending on the activity)

The computer club provides opportunities for all students in prep to year 7 to develop their keyboarding skills and experience the variety of educational software available at Coomera state school.

Program overview:

Semester 1 and 2

Students have this opportunity to make use of the many educational programs available to them as well as the internet. Students may like to use this time to access the sites subscribed to by the school such as Intrepica, Mathletics or Lexile reading program. They will also have the opportunity to learn about iMovie and construct a slow motion animation sequence. Year 7 are encouraged to participate as they will be constructing a DVD of the year in review to be shown at their graduation.
