

### **Dance Clubs**

Students are given the opportunity to join up to dance performance clubs such as Glee club, Wakakirri, Zumba and JRock. These clubs all provide opportunities for students to express their feelings, moods and ideas through song, dance and performance. Dancing is a wonderful medium for learning as well as a source of fun and enjoyment.

### **Glee Club**

Glee club is designed to get kids moving through dance and exercise and runs twice a week during lunch time, a junior and senior. Students are invited along to dance and obtain exercise through movement and fun. They move to a variety of familiar songs as well as learning routines to perform at our school assemblies throughout the term.

### **Zumba Club**

Zumba is a dance fitness program that mixes great music and a combination of ball room dance. The students are able to come along and move to the music in a safe and fun environment. Over 100 students join in on our lunchtime Zumba dance with huge grins on their faces!

### **Wakakirri**

Students are able to join Wakakirri during semester 1 and then must attend weekly rehearsals. In August the team competes in the Brisbane heat of at Logan Entertainment Centre. During their time practicing and learning the routine, students will develop the ability to perform a range of movements and actions through a story dance production. They will be encouraged to learn the value of dance and performance whilst gaining in confidence, co-ordination and team spirit.
